

# Camping Mad Libs

**Directions:** Print out these sheets for your family and fill in the blanks!

Today, my family and I are going camping in \_\_\_\_\_ .  
DESTINATION

It's a nice and \_\_\_\_\_ summer day and it's our very  
ADJECTIVE

first time camping here. We packed \_\_\_\_\_ and  
NOUN

\_\_\_\_\_ in our camping bags for some fun things to  
NOUN

do. We are also going to \_\_\_\_\_ marshmallows and  
VERB

have \_\_\_\_\_ hot dogs. We also set up a \_\_\_\_\_  
ADJECTIVE NOUN

to sleep in — hopefully, the \_\_\_\_\_ don't sneak in!  
PLURAL NOUN

At night, we are going to play games and tell \_\_\_\_\_  
ADJECTIVE

stories. Camping is super \_\_\_\_\_ and I can't wait to  
ADJECTIVE

\_\_\_\_\_ and do it again next summer.
